STEP 3: STUDENT FINANCIAL AID

Financial Aid for the Fall Semester

A. **Current Aid Applicants.** You have previously completed the 2001-2002 FAFSA (Free Application for Federal Student Aid). You now need to complete a Renewal 2002-2003 FAFSA either by paper application or through the web at www.fafsa.ed.gov.
   1. Register for at least half-time credit hours:
      - Undergraduate students register for a minimum of six (6) undergraduate credit hours.
      - Graduate students register for a minimum of five (5) graduate credit hours.
      - Law students register for a minimum of six (6) law credit hours.
   2. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 2002-2003 Loan Request Form.
   3. All 2002-2003 awards are subject to a review of your academic record at the end of the fall semester.

B. New Applicants for 2002-2003.
   1. You must be ACCEPTED or currently enrolled in a degree-program, and if seeking a second bachelor's degree, have declared a major. If you are in a conditional, special admission, or non-degree status, you are **not** eligible for financial aid.
   2. Complete the 2002-2003 Free Application for Federal Student Assistance (FAFSA) and mail in the envelope provided. Be sure to list The University of Memphis (Title IV code 003509) in Step 6 of the FAFSA.
   3. When your FAFSA is processed, a Student Aid Report (SAR) will be sent to you. Immediately review the SAR for accuracy. If corrections are required, make them on part 2 and submit the corrected SAR to the address listed on the SAR. You may be required to submit additional documents before an award can be made.
   4. If you know the amount of Direct Loan you would like to borrow, or if your parents are interested in a Parent Loan (PLUS), complete the 2002-2003 Loan Request Form.

C. Awarding and Disbursing
   1. When all required documents have been received, you will receive a Financial Aid Notification (Award Letter) which you should review. If you need to make any changes, sign and return it as soon as possible. Your awards will then be finalized.
   2. If your award includes a Direct Loan, you may be contacted about signing a promissory note. Federal regulations require that the loan be divided into two disbursements. Once you sign the note, the first half of the loan will be disbursed at the beginning of the term and the second half at the middle of the term for Fall-only loans.
      NOTE: If you have already completed a Direct Master Promissory Note (MPN), you do not need to complete a new MPN. You will be notified if you need to complete a new MPN.
   3. Federal regulations require that the first loan disbursement to first-time freshmen be held for 30 days.
   4. When financial aid is disbursed, university charges are deducted before any remaining balance is given to you. Refer to the Fee Payment section of this Schedule for information of the disbursement of financial aid.

D. Satisfactory Academic Progress. Students applying for or receiving financial aid must meet the academic standards in order to establish or retain their eligibility. Refer to the undergraduate bulletin or to the financial aid website at - http://www.enrollment.memphis.edu/financialaid/.

E. Receipt of Aid from Other Sources
In determining a student's eligibility for the need-based financial aid programs, all other aid received by the student is counted as a resource and subtracted from the student's budget. This includes external and institutional scholarships, undergraduate and graduate fee waivers, Vocational Rehabilitation, and Veterans' Educational Benefits. Excluded are short-term loans and non-Federal Work-Study employment.

CLASS ATTENDANCE IS REQUIRED

Faculty will report all students who do not begin or who stop attending classes. Students who receive federal/state financial aid may have awards reduced or cancelled. This can potentially result in a student's owing significant financial fees to the university.

STEP 3: STUDENT FINANCIAL AID

RETURN OF FUNDS - EARNING YOUR FINANCIAL AID

The Higher Education Amendments of 1998 established the concept that financial aid must be earned though class attendance. A student has not earned 100% of his/her financial aid until he/she has attended at least 60% of the term. If a financial aid recipient totally withdraws on or before the 60% point of the term, there is a portion of the aid that has not been earned. The unearned portion of the aid is equal to the percentage of the term remaining at the point of withdrawal and must be returned to the Department of Education. The unearned portion is repaid by both the student and the school based on a federal formula. The school can use any refund generated by the withdrawal to pay the portion it owes back.

Students who withdraw through the 60% point of the term will receive a letter indicating how much they are responsible for repaying to the federal financial aid programs.

The following example illustrates the Return of Funds:

The student withdraws on the tenth day of a term that is 100 days long. He/she has received $2,000 in federal grants which paid his/her fees of $1,500 and gave the student a balance check of $500.

CALCULATING THE UNEARNED FINANCIAL AID:

Length of Term = 100 days
Days Not Attending = 90 (100 – 10)
Total Financial Aid = $2,000
Total Fees = $1,500
Percent of Aid Unearned = 90 (90 ÷ 100)
Total Unearned Aid: = $1,800 ($2,000 x 90%)

CALCULATING THE REPAYMENTS:

Each student's balance is calculated based on the date of withdrawal, the amount of financial aid received, and whether the programs of financial aid received include grants or loans. **If a student must totally withdraw, it is best to attend class through 60% of the term to avoid any financial penalty.**

A **balance** is calculated based on the adjusted fees and reduced grants. The student is given a pro rata adjustment of the fees (refer to "Refund of Enrollment Fees" in this Schedule of Classes):
Adjusted fees = $150 [$1,500 - $1,350 ($1,500 x 90%)]
Adjusted grant = $200 ($2,000 original grant - $1,800 unearned grant)
The student is due a $50 refund from the University based on the difference between the adjusted fees ($150) and the adjusted grant ($200).

The **University must repay** the lesser of the total unearned financial aid, or the total fees multiplied by the percent of aid unearned. Since total fees ($1,500) are less than total aid ($2,000), the amount to be repaid is based on the total fees.
Total financial aid to be repaid by the University = $1,350 [$1,500 (fees) x 90%]

The **student must repay** the portion of the unearned aid not repaid by the University. Federal regulations allow unearned grant to be reduced by half. Student's portion of unearned grant = $450 ($1,800 unearned - $1,350 repaid by the University).
Grant to be repaid by student = $225 ($450 x 50%)

The Higher Education Amendments of 1998 specify the following order in which any unearned amounts are to be returned to Title IV financial aid programs: Federal Direct Loan Programs (unsubsidized then subsidized); Federal Perkins Loan Program; Federal Direct PLUS loans; Federal Pell Grant Program; Federal SEOG Program; any other programs funded by Title IV including the Tennessee Student Assistance Program; other federal, state, private or institutional aid programs. Any amount remaining after the applicable programs have been fully repaid is returned to the student.

Federal Direct Loan Request • 2002-2003

Fall 2002, *Spring* 2003

What is a Federal Direct Loan?

The Federal Direct Loan Program is a cooperative effort between the federal government and educational institutions.

- The federal government provides the loan funds.
- Schools determine the loan amount based on at least half-time enrollment (6 undergraduate credit hours for undergraduate students, 6 law credit hours for law students, 5 graduate credit hours for graduate students), confirm eligibility, and determine the loan period.

Direct Loan provides funds to help you meet your educational expenses. However, unlike gift aid, loans must be repaid. Federal Direct Loans are offered in two forms; subsidized and unsubsidized.

- ***Subsidized:*** You will not be charged any interest while you're in school (as long as you remain at least a half-time student) and during grace or deferment periods. The federal government "subsidizes" the interest during these periods. Your interest begins to accrue and repayment of the principal begins six months after enrollment in an educational institution ceases.
- ***Unsubsidized:*** You are responsible for your interest. Your interest accrues within sixty days of disbursement and may either be paid while you are in school or capitalized and added to the principal loan amount borrowed. As with subsidized loans, principal repayment begins six months after enrollments in an educational institution ceases.

***ACADEMIC YEAR* LOAN LIMITS**

	Base Loan Sub/Unsub	*Extended Loan Unsub only **	***Total Loan***
Freshman	$2,625	$ 4,000	$ 6,625
Sophomore	$3,500	$ 4,000	$ 7,500
Junior	$5,500	$ 5,000	$10,500
Senior	$5,500	$ 5,000	$10,500
Graduate	$8,500	$10,000	$18,500

** available to independent students*

Your Total financial aid, including Federal Direct Loans, can never exceed your cost of education. The limits indicated are the federal maximums which you can receive during two terms of enrollment.

There are aggregate loan limits, in addition to annual loan limits. Students may never borrow more than the aggregate loan limit for all subsidized and unsubsidized loans at The University of Memphis and other schools.

AGGREGATE LOAN LIMITS

	Base	***Base plus Extended***
Undergraduate	$23,000	$ 46,000
Graduate	$65,500	$138,500

Every Federal Direct Loan period is required to have two disbursements:

The beginning and mid-point of the term for one-term loans, or the start of each term for two term loans.

New freshmen borrowers receive their first disbursement after attending class for 30 days.

If you do not need to borrow the maximum amount, you can choose to borrow less.

In deciding the appropriate amount, you should follow these steps.

1. What are your costs for an academic year? Add your costs together for tuition / fees, room and board, books and supplies, transportation and personal expenses.
2. Subtact your resources from these costs. Consider all aid and private scholarships you have received as well as money from savings and your family.
3. Decide if you **need** to borrow. Before you borrow funds, are other resources available to you? Review your expenses to see if you can reduce your costs.
4. Consult the repayment chart below. What will be the monthly payments be if you borrow this amount? Remember to consider what you may borrow in future years.
5. Select the amount that you can manage to repay. What you borrow today, must be repaid, with interest, in the future. Remember to be as conservative as possible when borrowing funds.

REPAYMENT CHART

Your educational borrowing will have an effect on your future life-style. You need to be aware of what your monthly loan payments will be **before** you commit to that loan amount. Your loan repayment period will not exceed ten years and will require a minimum monthly payment of $50.00. Based on an 8% interest rate you can expect to make these payments for ten years. Each time you borrow, review the sample loan repayment chart below.

Total Borrowed	**Monthly Payment**
$ 5,000	$ 61.00
$ 10,000	$ 123.00
$ 30,000	$ 368.00
$ 50,000	$ 613.00
$100,000	$1,227.00

See the other side for the Direct Loan Request Form.

02/02

If you responded "yes" to the student loan question on your FAFSA, you will be **offered** the maximum amount of subsidized and unsubsidized loan for which you are eligible. Only use this form if you want a student loan, **and/or** if you want to borrow **less** than maximum, **or** you do not want to borrow an unsubsidized loan (interest on unsubsidized loans accrues while you are in school and during your six month grace period).

Any individual may appeal the assessment, application, calculation, collection, or interpretation of any University fee, charge, deposit, or refund. The University has developed the following processes for an appeal:

Traffic Fines/Citations – Traffic fines and citations may be appealed through a separate process on forms available from the Parking Office, Office of Judicial Affairs, or the Student Government Association Office.

Residence Life – Appeals related to Residence Life financial matters should be filed first with the Office of Residence Life for review within their process. Decisions of the Office of Residence Life may be appealed in writing to the Office of the Assistant Vice President of Student Affairs and Dean of Students. This decision may be appealed to the University Fee/Refund Appeals Committee.

All other University Fees/Charges, Refunds, Etc. – A written appeal of all other financial matters should be filed first on forms available in the Bursar's Office, 176 Administration Building. The Bursar's Office will provide a decision in writing to the appellant. The Bursar's Office decision may be appealed in writing to the Office of the Assistant Vice President for Finance, 276 Administration Building, Memphis, TN 38152.

The Office of the Assistant Vice President for Finance will provide a decision in writing on appeals. This decision may be appealed to the University Fee/Refund Appeals Committee. The recommendation of the Committee will be forwarded to the Vice President for Business and Finance for a final decision. This will conclude the University's appeal process.

RETURNED CHECKS/CREDIT CARD DRAFTS

It is expected that a check or credit card draft given to the University for any reason will be honored by the bank on which it is drawn. Any check or draft dishonored by the bank on which it is drawn may be presented a second time at the discretion of the University. A $20 returned item fee will be assessed for any check/draft returned.

The privilege of making payments to the University by personal check and check cashing privileges will be revoked for any student who has had more than one returned check/draft within a twelve month period. The suspension of this privilege will be for a period of one year from the date the last item is redeemed.

A student will not be permitted to satisfy enrollment fees by check if any previous check in payment of enrollment fees has been returned. Any check or credit card draft presented to the University in payment of enrollment fees that is subsequently dishonored by the bank on which it is drawn will be assessed the Late Payment Fee of $100. Students on a "NO CHECK" status must be prepared to satisfy enrollment fees with cash, cashier's check, or by authorized credit card draft.

The listing of any fee or incidental charge in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect for the semester for which he or she registers. All questions in regard to fees, fee payment, refunds, and appeals should be directed to the Bursar's Office, 176 Administration Building or by calling the Bursar's Office at (901) 678-5579.

Fees are subject to change without notice. The University will usually collect the amount of fees due at the time of fee satisfaction in accordance with the residency classification and fee rates in effect. After all enrollments are complete, any over-collections will be refunded and students will be billed for any under-collections.

Fees for AUDITING courses are assessed on the same basis as fees for credit courses. Courses offered between terms, for a concentrated period during a term, or at specific locations may be subject to fees on a per-hour basis only.

After the audit permit has been issued, the student must register on **TIGERWEB or STRIPES**. Fees for audit are the same as for credit. Students may not change from a grade point basis to audit or from audit to a grade point basis after the last day to add classes. **PLEASE NOTE: Audit classes are not included in enrollment status consideration.**

CLASS ATTENDANCE
Students <u>are responsible for processing their own official drops or withdrawals</u> on TIGERWEB or STRIPES if they never attend or stop attending. To avoid financial penalties, students must withdraw or drop prior to the first day of classes for the session in which the course(s) is taught.

- **Students who never attend and do not drop or withdraw** from their course(s) will incur significant financial penalties and be assigned a grade of "F".
- **Students who stop attending during the semester** and do not drop or withdraw from their course(s) will be assigned a grade of "F", and the last known date of attendance will be reported.
- **Students who are absent from the final examination** without the permission of the teacher incur a grade of "F" on the examination and may, depending on the weight of the examination in determining the final grade, incur a grade of "F" for the course.
- **Students who receive VA benefits or Title IV funds for enrollment fees** are subject to cancellation of future awards and immediate repayment of these benefits if they stop attending whether or not they officially withdraw or drop a course.
- **Class attendance may be used in computing grades** at the discretion of the instructor. If attendance is to be used, a complete written statement of the instructor's policy detailing the weight of attendance in determining the final grade must be presented to all students present at the first and second meetings of the class.

CLASS CANCELLATION & INCLEMENT WEATHER POLICY
Telephone 901-678-0888 to find out about closings due to inclement weather.

In the event that inclement weather requires the cancellation of classes and/or campus activities, local radio and television news media will be immediately notified for dissemination, as they deem appropriate. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each division. Cancellations will not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (University Procedure 2A: 16:01A)

COURSE LOAD LIMITATIONS - MAXIMUM NUMBER OF HOURS WITHOUT DEAN'S APPROVAL

SESSION	UNDERGRADUATE	GRADUATE
Full	20.5	15
First or Second	10	7

Students must have approval from the appropriate official in their degree-granting college for hours in excess of the maximum (concurrent enrollment at other colleges is included). Overload requests for approval should be made well in advance of registration.

CREDIT/NO CREDIT
Undergraduate students who have a 3.0 average and 60 semester hours, and permission of the dean of their college, may elect to take some courses on a credit/no credit basis. Students should pick up the Permission of Department Permit from the department, obtain appropriate signatures (including their academic advisor and dean) and bring the permit to Student Information Services, 119 Administration Building to be processed.

DISABLED AUDIT or CREDIT REGISTRATION
Tennessee residents who have a permanent and total disability which completely incapacitates them from working at an income producing occupation, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. They may enroll for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. Enrollment for audit or credit will be limited according to space availability. **PLEASE NOTE: Students must contact Registration Services (901-678-2676) after they register to obtain tuition reduction.**

Applicants for this program must present medical information to University Health Services documenting a permanent and total disability. The University physician examines the documentation and determines eligibility. If the applicant is eligible for State Vocational Rehabilitation Services, which by their nature and definition are designed for individuals who have potential for employment, the applicant would not be eligible for the free audit or reduced fee benefit. Eligibility for this program applies only from the time of approval by the University physician and is not retroactive. Direct all inquiries regarding this program to Registration Services, 115 Administration Building, 901-678-2676.

GRADE REPORTS
Current semester grades may be obtained on TIGERWEB **<u>www.tigerweb.memphis.edu</u>** or on STRIPES (901-321-7000).

ACADEMIC POLICIES & PROCEDURES

Grades are available on TIGERWEB and STRIPES as soon as your instructors enter them. However, your grades and your academic statistics are subject to review and update until they become official, usually by the Thursday following the session's last exam period. RE-CHECK YOUR GRADES, STATS, AND ACADEMIC ACTION after that day.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts and diplomas from students who have outstanding financial obligations to the University. When financial obligations have been resolved, students may obtain their grades on TIGERWEB **www.tigerweb.memphis.edu** or on STRIPES (901-321-7000).

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (119 Administration Building, 901-678-2996). New students should be prepared to furnish the following items as needed: a copy of their KICKER Contract, a VA copy of their DD 214 (Certificate Of Release Or Discharge From Active Duty), DD 2384 (Notice Of Basic Eligibility), or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veteran's educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veterans Request for Certification Form.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Evaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your advisor, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services

PROBATION/SUSPENSION - UNDERGRADUATE ACADEMIC STATUS AND RETENTION

Students can obtain their current semester grades/academic status on TIGERWEB **www.tigerweb.memphis.edu** or on STRIPES (901-321-7000). A complete statement of the University's academic status and retention policy may be found in the Bulletin. Specific questions concerning academic probation/suspension should be directed to the Academic Status Office, 117 Administration Building, 901-678-2393.

Regardless of academic status, students will be allowed to register for classes for the following term. However, students whose grades result in an academic suspension will be automatically withdrawn from the University before classes begin. If the grade report indicates suspension, a student is required to remain out of the University one or more semesters. For example, if a first suspension occurs at the end of spring semester, the student must remain out of the University the summer session and following fall semester.

UNDERGRADUATE ACADEMIC RETENTION SCALE

Quality Hours	Minimum GPA
0 - 14.99	No Minimum
15 - 29.99	1.40
30 - 50.99	1.70
51 - 67.99	1.90
68 and above	2.00

REPETITION OF COURSES

Normally, a student may not attempt the same course more than three times for the purpose of obtaining a passing or higher grade. The dean of the college from which the student intends to graduate may make exceptions to this limitation. Exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course. The student's grade point average will be computed as follows:

Number of Attempts	Grade(s) Included in Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grade earned in 2nd and subsequent attempts

The record will continue to reflect all grades earned in the same course.

Courses repeated after a degree is awarded may not be used to replace grades earned prior to the degree's being awarded.

SENIOR CITIZEN AUDIT / CREDIT REGISTRATION

Persons who will become sixty (60) years of age during the academic semester in which they begin classes, and who are domiciled in Tennessee, may **AUDIT** courses without paying tuition charges, maintenance fees, student activity fees, or registration fees. Permission to AUDIT will be limited according to space availability.

Persons who will become sixty-five (65) years of age prior to or during the academic semester in which they begin classes and who are domiciled in Tennessee, may enroll in courses for **CREDIT** at the cost of one-half the normal per credit hour fee, not to exceed $75.00 per semester. **PLEASE NOTE: Students must contact Registration Services (901-678-2676) after they enroll to obtain tuition reduction.**

STUDENTS WITH DISABILITIES

Eligible students with disabilities may register prior to their assigned date so adequate plans can be made for disability related needs and academic accommodations. Detailed early registration instructions, including dates, are posted each semester on the Student Disability Services' Web site at **www.people.memphis.edu/~sds/** under SDS Current News and Announcements. Students must be properly registered with the Office of Student Disability Services to participate in early registration.

TRANSFER CREDIT/U of M STUDENTS
After admission to The University of Memphis as a regular undergraduate, students must consult with their advisor and the Undergraduate Admissions Office if they anticipate enrolling at another college or university for the purpose of transferring credit to The University of Memphis. A Transfer Credit Request form must be completed. For completed additional undergraduate course work to be transferred from another university, the student must request that an evaluation be completed by Undergraduate Admissions, 901-678-2111. For information about the transfer of graduate credit, contact The Graduate School, 309 Administration Building, 901-678-3560.

WITHDRAWAL PROCEDURES
Students who register and are unable to attend the semester must formally process a withdrawal on TIGERWEB or STRIPES prior to the first day of classes. Failure to officially withdraw will result in grades of "F" for the courses in which the student is enrolled. Courses dropped after the last day to add will be graded "W" (for withdrawn).

Withdraw on **TIGERWEB** **www.tigerweb.memphis.edu** or **STRIPES** (901-321-7000). Students must know their PIN (Personal Identification Number) and the course call numbers to process withdrawals.

The University of Memphis - Mission Statement

The University of Memphis is a doctoral degree-granting urban research university committed to: providing excellent undergraduate, graduate, and professional education; discovering and disseminating knowledge; serving the metropolitan community, State, and nation; preparing students for successful careers and meaningful participation in global society; educating a diverse student body; and promoting access without regard to race, gender, religion, national origin, age, disability, or veteran status.

The University of Memphis

The University of Memphis is a member of the State University and Community College System of Tennessee and is governed by the Tennessee Board of Regents. As an urban university, The University of Memphis provides a stimulating academic environment for its students, including an innovative undergraduate education and excellence in selected research areas and graduate programs. The academic environment extends beyond the campus boundaries to encompass the entire community.

Education is enhanced through exposure to diversity in the composition of the student body, faculty, staff and administrators; including women, minorities, individuals with disabilities and various age groups and religions. The University has responded to the challenging responsibility of being located in a culturally diverse region by developing a unique blend of teaching, research and service that contributes to the growth of the Mid-South region.

Teaching brings the benefits of scholarship and research to students and through them to the people of the area. The University of Memphis asserts that excellence in teaching traditional and non-traditional students is its central responsibility. A comprehensive undergraduate education, grounded in the arts and sciences, develops intellectual, cultural and ethical qualities in its students. The innovative General Education Program challenges students to develop the analytical and critical skills necessary for lifelong learning. The University of Memphis offers masters and doctoral degrees in selected graduate programs as well as degrees in the major professional areas. Through learning begun at The University of Memphis, graduates compete in the global intellectual community in which they live.

As a research university, The University of Memphis develops, integrates, disseminates and applies knowledge. Faculty maintain ongoing programs of basic and applied research or creative activities appropriate to their disciplines. The University's urban environment provides a rich opportunity for research and creative scholarship, and for the use of that scholarship in the intellectual and cultural development of the region. The University's commitment to fostering a research and creative environment harmonizes with the other aspects of its mission.

The University of Memphis fulfills its outreach mission through its contributions to professional organizations and to the needs of the community. The University promotes intellectual, cultural and community development through, for example, its artistic programs, lecture series, technical assistance, continuing education and intercollegiate athletic programs.

The University of Memphis, through its research, teaching and outreach roles, responds to individual needs, such as the support of health care and preventive health services. The University addresses broader issues as well, for instance, K-12 education, economic development, environmental initiatives, international programs, computing and telecommunications.

STUDENT RIGHT-TO-KNOW & MISC INFORMATION

STUDENT RIGHT-TO-KNOW

Student right-to-know compliance information on 1) graduation completion rates, 2) campus security policies and crime statistics, 3) Family Educational Rights and Privacy Act, 4) financial assistance, and 5) other pertinent institutional information is available at:

www.enrollment.memphis.edu/registrar/srtk.htm

PRIVACY RIGHTS OF PARENTS & STUDENTS - NOTICE TO STUDENTS

The University of Memphis intends to comply fully with the Family Education Right and Privacy Act of 1974 and its subsequent amendments. A complete copy of the procedure may be obtained in the Office of the Registrar.

Directory Information

"Directory Information" is defined as: the student's name, address, telephone listing, e-mail address, major field of study, date of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full-time or part-time status), and the student's classification (level).

Restricted Release of Directory Information

After registering for courses, a student may personally complete a written request in 115 Administration Building that directory information not be released. Such information will also be withheld from the campus telephone directory if the form is completed within the first two weeks of classes. NOTE: The campus telephone directory is published in the fall semester.

Access to Records

To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access, which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

Review, Amend, Consent To Release Records

Students and eligible parents have the right to review education records, request amendments to the record, file a complaint related to the University's compliance with the requirements of the Family Educational Rights and Privacy Act (FERPA), and provide consent for release of personally identifiable information. Release of personally identifiable student education records (other than directory information) is not permitted without written consent of the student to any party other than those specified by FERPA (e.g., the University does release education records to officials of other schools in which the student seeks or intends to enroll or has previously been enrolled).

GRADUATION AND RETENTION RATES

The projected graduation/completion rate for full-time freshmen who entered in the fall of 1994 and graduated within 6 years is 34.2%. The first-year retention rate for the same cohort is 71.5%.

CRIME AWARENESS & CAMPUS SECURITY ACT OF 1990

SEXUAL AND RACIAL HARASSMENT PROCEDURE

Sexual harassment and racial harassment have been held to constitute forms of discrimination prohibited by Title VI, Title VII of the Civil Rights Act of 1964, as amended and Title IX of the Educationa Amendments of 1972. The University may be held liable pursuant to Title VI or Title VII and/or lose federal funds pursuant to Title IX fo failure to properly investigate and remedy claims of sexual or racia harassment.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience and well being of students, faculty and staff. Incidents involving sexual harassment or racial harassmen have no place within the University. In both obvious and subtle ways even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff and the academic community as a whole. When through fear or reprisal, a student, staff member, o faculty member submits or is pressured to submit to unwanted sexua attention, the University's ability to carry out its mission is undermined.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavio between or among members of the University that creates ar unacceptable work or educational environment.

Sexual harassment in the working/educational environment:
Generally, sexual harassment may be defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when one of the following criteria is met:

> submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity;
>
> submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual;
>
> such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile or offensive work or educational environment.

Sexual harassment can take many forms, but most sexual harassment falls into three categories: verbal, visual, and physical. Some examples of behavior that may constitute sexual harassment are:

- Refusing to hire, promote, or grant or deny certain privileges because of acceptance or rejection of sexual advances.
- Promising a work-related benefit or a grade in return for sexual favors.
- Suggestive or inappropriate communications, e-mail, voicemail, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments.
- Sexual innuendoes, comments, and remarks about a person's clothing, body or activities.
- Suggestive or insulting sounds.
- Whistling in a suggestive manner.
- Humor and jokes about sex that denigrate men or women.
- Sexual propositions, invitations, or pressure for sexual activity.
- Use in the classroom of sexual jokes, stories, remarks or images in no way germane to the subject matter of the class.
- Implied or overt sexual threats.
- Suggestive or obscene gestures.
- Patting, pinching, and other inappropriate touching.
- Unnecessary touching or brushing against the body.
- Attempted or actual kissing or fondling.
- Coerced sexual intercourse.
- Sexual assault.

The examples listed above are not exclusive, but simply represent types of conduct that may constitute sexual harassment.

Not every act that might be offensive to an individual or a group will be considered harassment. Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurs. Harassment does not include verbal expressions or written material that is relevant and appropriately related to course subject matter or curriculum.

Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security and crisis intervention centers may supersede or occur in addition to the process developed under this policy.

Consensual Relationships AND Conflicts of Interest
Intimate relationships between supervisors and their subordinates, between faculty members and students are strongly discouraged due to the inherent inequality of power in such situations. These relationships could lead to undue favoritism or the perception of undue favoritism, abuse of power, compromised judgment or impaired objectivity.

Engaging in a consensual relationship with a student over whom the faculty member has either grading, supervisory, or other evaluative authority (i.e., member of dissertation committee, thesis director, etc.) constitutes a conflict of interest. The faculty member must take steps to remove the conflict, such as assigning a different supervisor to the student; resigning from the student's academic committees; or by terminating the relationship at least while the student is in his/her class. Likewise, it is a conflict of interest for a supervisor to engage in a consensual relationship with a subordinate over whom he or she has evaluative or supervisory authority. The supervisor must take action to remove the conflict of interest by, for example, assigning another individual to supervise and/or evaluate the subordinate.

Racial Harassment
Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race includes offensive or demeaning treatment of an individual, where such treatment is based on prejudiced stereotypes of a racial group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race. Title VII requires employers to take prompt action to prevent bigots from expressing their opinions in a way which abuses or offends their coworkers.

Retaliation
Retaliation is prohibited by the University. Retaliation may be defined as the seeking of revenge, reprisal or injury to another who has exercised the right to file a complaint or make a report of sexual or racial harassment, or has participated in an investigation into allegations of sexual or racial harassment.

Any retaliation against a person filing a complaint is strictly prohibited regardless of the outcome of the investigation and may, in itself, be grounds for disciplinary action.

Harassment - Other Forms
Title VII also prohibits discrimination (and harassment) of individuals based on color, ethnicity, national origin and religion. Complaints of discrimination on these grounds may be filed with the University EEO/AA Officer and or pursuant to the University's grievance and complaint procedures. However, the procedure utilized for these complaints differs from the processes of sexual and racial harassment complaints.

Complaint Reporting
The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Associate Dean of Judicial and Ethical Programs, 105 University Center, will investigate and resolve the complaint in accordance with appropriate student procedures. Other charges, not relating to complaints against students, should be directed to the University Equal Employment/Affirmative Action Compliance Officer (hereinafter, "EEO/AA Officer), 156 Administration Building, for investigation and recommendations to the President and will follow procedures set forth in this document.

The following procedures are intended to protect the rights of the aggrieved party (hereinafter, "the Complainant") as well as the party against whom complaint harassment is lodged (hereinafter, "the Respondent"), as required by state and federal laws. Each complaint must be properly and promptly investigated and, when warranted, appropriate disciplinary action taken against the Respondent.

The Office of General Counsel (TBR) and the Office of Legal Affairs (U of M) shall always be consulted prior to investigation.

In situations that require immediate action because of safety or other concerns, the University may take any disciplinary action which is appropriate, e.g., suspension with pay pending the outcome of the investigation. Legal Counsel should be contacted before any immediate action is taken.

Any current or former student, applicant for employment or current or former employee who believes he or she has been subjected to harassment at the University or who believes that he/she has observed harassment taking place shall present the complaint to the designated EEO/AA Officer or the Associate Dean of Judicial and Ethical Programs, (hereinafter "the Investigator") responsible for compliance with Title VII of the Civil Rights Act of 1964, Title VI, Title IX of the Education Amendments of 1972.

Complaints must be brought within 365 days of the last incident of harassment. Complaints brought after that period will not be pursued absent extraordinary circumstances. The determination of whether the complaint was timely or whether extraordinary circumstances exist to

extend the complaint period must be made in conjunction with Legal Counsel.

Every attempt will be made to get the Complainant to provide the complaint in writing. The complaint shall include the circumstances giving rise to the complaint, the dates of the alleged occurrences, and names of witnesses, if any. The complaint shall be signed by the Complainant. However, when Complainant refuses to provide or sign a written complaint, the matter will still be investigated, and appropriate action taken. Complaints made anonymously or by a third party must also be investigated to the extent possible.

If the complaint does not rise to the level of harassment, the complaint may be dismissed without further investigation after consultation with Legal Counsel. The Complainant should be informed of other available processes such as the employee grievance/complaint process, or a student non-academic complaint process.

Investigation Process

Legal Counsel shall be notified of the complaint, whether written or verbal, as soon as possible after it is brought to the attention of the Investigator and the investigation will be under the direction of Legal Counsel. All investigatory notes and documents shall be attorney work product. The Investigator shall notify the President that an investigation is being initiated.

When the allegation of harassment is against the EEO/AA Officer or Associate Dean of Judicial and Ethical Programs, the President will identify an individual who has been trained in investigating such complaints to investigate the complaint and carry out the responsibilities assigned pursuant to this guideline.

When the Respondent is a student, the Associate Dean of Judicial and Ethical Programs will investigate in compliance with the procedures outlined in this guideline. If a finding of violation is made, any resulting disciplinary action will be undertaken in compliance with the University's student disciplinary procedures.

When the Respondent is a student, all documentation shall be subject to the provisions and protections of the Family Educational Records and Privacy Act (FERPA).

In consultation with and under the direction of Legal Counsel, the Investigator shall conduct an investigation of the complaint. The purpose of the investigation is to establish whether there has been a violation of the guideline. In conducting the investigation, the Investigator may interview the Complainant, the Respondent, and other persons believed to have factual knowledge related to the investigation.

To the extent possible, the investigation will be conducted in such a manner to protect the confidentiality of both parties. However, the Complainant should be informed that the University has an obligation to address harassment and that, in order to conduct an effective investigation, complete confidentiality cannot be guaranteed. Information may need to be revealed to the Respondent and to potential witnesses. However, information about the complaint should be shared only with those who have a need to know about it. A Complainant may be informed that if he or she wants to speak privately and in confidence about harassment, he or she may wish to consult with a social worker, counselor, therapist or member of the clergy who is permitted, by law, to assure greater confidentiality. Additionally, the Complainant may be given assurances that measures will be taken against the Respondent should there be retaliation against him or her. Retaliation is prohibited and should be reported to the investigator immediately.

The Investigator shall notify in writing the harasser Respondent within five (5) working days of receipt of the complaint. The Respondent shall respond in writing to the complaint within five (5) working days of notification.

The Respondent should be notified that any retaliation against the Complainant is strictly prohibited regardless of the outcome of the investigation and may, in itself, be grounds for disciplinary action.

The Investigator shall meet with both the Complainant and the Respondent individually for the purpose of resolving the complaint informally. If informal resolution is successful in resolving the complaint, a report of such, having first been reviewed and approved by Legal Counsel, shall be submitted to the President.

If informal resolution is unsuccessful, the Investigator shall draft a report summarizing the investigation which shall be sent to Legal Counsel for review. After review and approval by Legal Counsel, the report shall be submitted to the President and the Complainant and the Respondent within twenty (20) working days following receipt of the complaint. In rare situations where more than 20 working days is needed to complete the investigation, such as difficulty in locating a necessary witness, or complexity of the complaint, additional time may be taken, but only following notice to Legal Counsel and notice to the Complainant.

Each report shall outline the basis of the complaint, including the dates of the alleged occurrences, the response of the Respondent, the findings of the Investigator, all attempts to resolve the complaint informally, a determination of whether there was a violation of the guideline, and recommendations regarding disposition of the complaint.

If, after investigation, there is insufficient evidence to corroborate the complaint or, in any situation in which the Complainant refuses to cooperate in the investigation, it may be appropriate to discuss the complaint with the Respondent, informing him or her that he or she is not being accused of a harassment violation, but that the conduct alleged, had it been substantiated, could be found to violate this guideline. Any investigation and subsequent discussion should be documented and a report submitted as set forth in this procedure. It should also be noted that conduct which does not rise to the level of actionable harassment may, nevertheless, provide a basis for disciplinary action against the Respondent.

If the investigation reveals evidence that a violation of the guideline has occurred, the President may meet with the Respondent and/or the Complainant and attempt to resolve the problem by agreement. Appropriate steps must be taken to ensure that the harassment will not reoccur.

The President shall review the Investigator's report, make a final determination as to whether a violation has occurred and, determine what the appropriate resolution should be. This determination shall be in writing, with copies provided to the Complainant and the Respondent.

If a violation of this guideline is determined to have occurred, the Respondent shall be advised of his/her right to a hearing pursuant to the procedures set forth below. The Respondent must file the request for a hearing within ten (10) working days following receipt of the President's determination.

After completion of the investigation and any subsequent disciplinary proceedings, all documentation shall be forwarded to Legal Counsel. However, the President's determination, the Investigator's report and documentation of any disciplinary action taken against the Respondent should be placed in a file maintained on campus. This file shall be maintained in a location designated by the President.

A complaint found to have been intentionally dishonest or maliciously made will subject the Complainant to appropriate disciplinary action.

Hearing

If the Respondent requests a hearing, he or she shall be advised of the established University procedures available for resolution of the matter in question which will generally be the procedure for the hearing of a grievance before a grievance committee.

The grievance hearing procedures shall include the following minimal requirements:

> Notice to the Respondent of the hearing which must include a summary of the facts that form the basis of the violation; the date time and place of the hearing; and, the rights afforded the Respondent during the hearing process.
>
> The right of the Respondent to present his or her case.
>
> The right of the Respondent to be accompanied by an advisor who may assist the Respondent but may not advocate on his or her behalf.
>
> The right of the Respondent to call witnesses in his or her behalf.
>
> The right of the Respondent to confront and cross-examine.

In the following situations the Respondent must be given the option of

ither a University hearing, or of having the hearing held pursuant to he Tennessee Uniform Administrative Procedures Act (TUAPA):

> The Respondent is a support staff employee whom the President has determined should be demote, suspended without pay or terminated; or,
>
> The Respondent is a student whom the President has determined should be suspended or expelled.

he election of which hearing process to utilize must be in writing, igned by the Respondent, expressly waiving the TUAPA option.

f the Respondent elects to proceed pursuant to the TUAPA, Legal ounsel should be notified immediately.

hen an allegation involves a tenured faculty member, the same nformal and formal procedures set out above shall be utilized. enured faculty members shall have the same right to elect hearing rocedures as set out in this section. However, where the nvestigation results in a finding that the harassment policy was iolated and the President concurs with that finding and determines hat procedures pursuant to TBR Policy 5:02:03:00, Academic reedom, Responsibility, and Tenure, should be undertaken in onsideration of the termination of a tenured faculty member, the hatter will then proceed directly to a hearing under either the niversity policy for termination of tenure or TBR Policy 5:02:03:00.
